Dear Dr. Surmsuk Salakpetch,

On behalf of the Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA), the CGIAR Research program on Climate Change, Agriculture and Food Security in Southeast Asia (CCAFS SEA), and the International Institute of Rural Reconstruction (IIRR), we would like to explore inviting you or your representative to participate in the **Workshop on Establishing Climate Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency in Local Communities** which will be held on 8-14 July 2019 at SEARCA, Los Baños, Laguna, Philippines.

The roving seminar-workshop aims to increase the participants' knowledge and understanding of the CSV approach and its potential to significantly improve food security in local communities using the experiences of CSVs in Guinayangan, Quezon Province, Philippines. The workshop likewise aims to identify strategies, and approaches in promoting and scaling promising climate-smart agricultural (CSA) technologies and practices contributing to the regional community of practice of CSA.

For your participation in the workshop, the organizers will sponsor your:

- Cost of tuition, which includes workshop materials and workshop meals;
- Accommodation; and
- Local transportation (airport transfers and field visit to Guinayangan, Quezon Province)

However, airfares, out-of-pocket allowances, incidental expenses, and travel/health insurance will be at your own or your organization's expense. Attached for your reference are the brochure and proposed itinerary for the roving workshop.

We shall be sending the official letter of invitation soon.

For further queries or details, please contact Mr. Eisen Bernard V. Bernardo, Senior Communication Specialist, CCAFS SEA, at [e.bernardo@irri.org](mailto:e.bernardo@irri.org) and Ms. Rosario B. Bantayan, Program Specialist, Knowledge Management Department, at telephone (+63 49) 554 9330 to 9336; 657 1300 to 1302 (local 3500 or 3502) or e-mail ([rbb@searca.org](mailto:rbb@searca.org) or [kimbantayan@yahoo.com](mailto:kimbantayan@yahoo.com)).

Thank you very much and we look forward to your positive reply soonest.

Very truly yours,  
Kim

Dear Ms. Dada and Ma'am Margaret,

Attached is the workshop flyer for our joint study program on ***Establishing Climate-Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency in Local Communities*** to be held on **8-14 July 2019** in the Philippines.

The study program is designed for participants from the ASEAN Climate Resilience Network (ASEAN-CRN). The main goal of this learning activity is to help the participants gain a better understanding of the concept of CSV and its impact on improving food security in local communities.

We will be sending the official invitation letter to our target participants soon.

Thank you very much!

Dear Mr/Ms. Siwapon Choochim,

Kindly apologize for the late response.

This is to confirm that GIZ will cover airfare round trip (economy class) for one representative from Department of Agriculture (DOA), Thailand. For the ticket arrangement we would need a copy passport from participant and flight details preference (if any).

Best regards,  
 Dita

7 June 2019

Dr. Surmsuk Salakpetch

Director General  
Department of Agriculture  
Bangkok, Thailand

Dear Dr. Surmsuk Salakpetch:

The Southeast Asian Regional Center for Graduate Study and Research In Agriculture (SEARCA), in collaboration with the CGIAR Research Program on Climate Change, Agriculture and Food Security in Southeast Asia (CCAFS SEA) and the International Institute of Rural Reconstruction (IIRR), is pleased to invite you or your representative to participate in the **Workshop on Establishing Climate Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency in Local Communities** which will be held on 8-14 July 2019 at SEARCA, Los Baños, Laguna, Philippines.

The roving seminar-workshop aims to increase the participants' knowledge and understanding of the CSV approach and its potential to significantly improve food security in local communities using the experiences of CSVs in Guinayangan, Quezon Province, Philippines. The workshop likewise aims to identify strategies, and approaches in promoting and scaling promising climate-smart agricultural (CSA) technologies and practices contributing to the regional community of practice of CSA.

For your participation in the workshop, the organizers will sponsor your:

- Cost of tuition, which includes workshop materials and workshop meals;
- Accommodation; and
- Local transportation (airport transfers and field visit to Guinayangan, Quezon Province)

However, airfares, out-of-pocket allowances, incidental expenses, and travel/health insurance will be at your own or your organization's expense. Please find attached the brochure and proposed itinerary for the roving workshop.

For further queries or details, please contact Mr. Eisen Bernard V. Bernardo, Senior Communication Specialist, CCAFS SEA, at [e.bernardo@iirr.org](mailto:e.bernardo@iirr.org) and Ms. Rosario B. Bantayan, Program Specialist, Knowledge Management Department, at telephone (+63 49) 554 9330 to 9336; 657 1300 to 1302 (local 3500 or 3502) or e-mail ([rbb@searca.org](mailto:rbb@searca.org)) or [kimbantayan@yahoo.com](mailto:kimbantayan@yahoo.com)).

**Subject:** Invitation to participate in the Workshop on Establishing Climate Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency In Local Communities, 8-14 July 2019 at SEARCA, Los Baños, Laguna, Philippines

7 June 2019

**Dr. Surmsuk Salakpetch**  
Director General  
Department of Agriculture  
Bangkok, Thailand

Dear Dr. Surmsuk Salakpetch:

The Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA), in collaboration with the CGIAR Research Program on Climate Change, Agriculture and Food Security in Southeast Asia (CCAFS SEA) and the International Institute of Rural Reconstruction (IIRR), is pleased to invite you or your representative to participate in the **Workshop on Establishing Climate Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency In Local Communities** which will be held on 8-14 July 2019 at SEARCA, Los Baños, Laguna, Philippines.

The roving seminar-workshop aims to increase the participants' knowledge and understanding of the CSV approach and its potential to significantly improve food security in local communities using the experiences of CSVs in Guinayangan, Quezon Province, Philippines. The workshop likewise aims to identify strategies, and approaches in promoting and scaling promising climate-smart agricultural (CSA) technologies and practices contributing to the regional community of practice of CSA.

For your participation in the workshop, the organizers will sponsor your:

- Cost of tuition, which includes workshop materials and workshop meals;
- Accommodation; and
- Local transportation (airport transfers and field visit to Guinayangan, Quezon Province)

However, airfares, out-of-pocket allowances, incidental expenses, and travel/health insurance will be at your own or your organization's expense. Please find attached the brochure and proposed itinerary for the roving workshop.

For further queries or details, please contact Mr. Eisen Bernard V. Bernardo, Senior Communication Specialist, CCAFS SEA, at '[e.bernardo@iirr.org](mailto:e.bernardo@iirr.org)' and Ms. Rosario B. Bantayan, Program Specialist, Knowledge Management Department, at telephone (+63 49) 554 9330 to 9336; 657 1300 to 1302 (local 3500 or 3502) or e-mail ('[rbh@searca.org](mailto:rbh@searca.org)' or '[kimbantayan@yahoo.com](mailto:kimbantayan@yahoo.com)').

Thank you very much and we look forward to your participation in this worthwhile event.

AGENCY PROGRAM ON  
Climate Change,  
Agriculture and  
Food Security

S E A M E O  
**SEARCA**

INTERNATIONAL INSTITUTE OF RURAL RECONSTRUCTION

10 June 2019

**Dr. Surmsuk Salakpetch**  
Director General  
Department of Agriculture  
Bangkok, Thailand

Dear Dr. Surmsuk Salakpetch:

The Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA), in collaboration with the CGIAR Research Program on Climate Change, Agriculture and Food Security in Southeast Asia (CCAFS SEA) and the International Institute of Rural Reconstruction (IIRR), is pleased to invite you or your representative to participate in the **Workshop on Establishing Climate Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency in Local Communities** which will be held on 8-14 July 2019 at SEARCA, Los Baños, Laguna, Philippines.

The roving seminar-workshop aims to increase the participants' knowledge and understanding of the CSV approach and its potential to significantly improve food security in local communities using the experiences of CSVs in Guinayangan, Quezon Province, Philippines. The workshop likewise aims to identify strategies, and approaches in promoting and scaling promising climate-smart agricultural (CSA) technologies and practices contributing to the regional community of practice of CSA.

For your participation in the workshop, the organizers will sponsor your:

- Cost of tuition, which includes workshop materials and workshop meals,
- Accommodation; and
- Local transportation (airport transfers and field visit to Guinayangan, Quezon Province)

However, airfares, out-of-pocket allowances, incidental expenses, and travel/health insurance will be at your own or your organization's expense. Please be informed that GIZ ASEAN Climate Smart Land Use Project can offer support for air tickets. ASEAN Climate Resilience Network (CRN) members who need support are encouraged to send a message to [aphrodita.angraini@giz.de](mailto:aphrodita.angraini@giz.de) as soon as possible. Attached for your reference are the brochure and proposed itinerary for the roving workshop.

For further queries or details, please contact Mr. Eisen Bernard V. Bernardo, Senior Communication Specialist, CCAFS SEA, at [e.bernardo@iiri.org](mailto:e.bernardo@iiri.org) and Ms. Rosario B. Bantayan, Program Specialist, Knowledge Management Department, at telephone (+63 49) 554 9930 to 9936; 657 1300 to 1302 (local 3500 or 3502) or e-mail ([rbb@searca.org](mailto:rbb@searca.org) or [kimbantayan@yahoo.com](mailto:kimbantayan@yahoo.com)).

Thank you very much and we look forward to your participation in this worthwhile event.

# Establishing Climate-Smart Villages (CSVs) in the ASEAN Region to Improve Food Security and Resiliency in Local Communities

## Learn with SEARCA and IIRR

This study program is grounded on SEARCA and IIRR's proven experience in conducting innovative regional learning activities and working with communities on climate resilient agriculture (CRA). Likewise, the program, as part of the ASEAN Climate Resilience Network (ASEAN-CRN) activities, aims to increase the
